The money is urgently needed to pay off the renovation cost of the property donated to the Plantation for additional housing facilities.

"The brand new 1984 Chevette to be given away to the lucky winner will be a great Christmas present for someone, but the donations that will make possible Christian homes for youth in need will be the greatest gift," said Moses.

The drawing will be held on December 23 at 4 p.m. at Sunnyview. The winner will be notified immediately. Please make all checks payable to Patrick Henry Boys Plantation, Inc.

Raiders defeat Wm. Campbell

The Raider varsity basketball team defeated William Campbell 68-47 Friday night, following a 56-35 loss to Gretna Tuesday evening.

"We weren't shooting well from the floor or from the foul line, and we were turning the ball over," commented Raider Coach Coty Dickerson this week in reference to Tuesday's game against Gretna.

Dickerson noted that the team hit only 32.6 percent of its field goal attempts, and 39 percent of its foul shots against Gretna. "you can't do that against a team like Gretna and expect to win," the coach noted.

High scorer for the Raiders against Gretna was Ricky Miller, who had 19 points. John Hurt had four points for Appomattox off the bench.

Friday night's game against William Campbell was a different story, with the Raiders showing, "good team balance" in their win, according to Dickerson.

"We had four men scoring in double figures, and two others scoring high," said the coach.

The Raiders also had shooting percentages much improved when compared with Tuesday's game; the team shot 45 percent from the floor, and 65 percent from the foul line.

"Freddie Lawson and Timmy Austin did an excellent job in their first time starting this season," said Dickerson. "And Gary Ferguson had a good game off the bench."

Dickerson noted that, following the Gretna game, he put in several new plays which the team "worked on very hard" in preparation for Friday night's contest.

"The thing I was happiest about was that we played together well, as a team," Dickerson said. "The difference between Friday night's game and Tuesday night's game was like night and day," he added.

High scorer for the game was Tim Austin, with 13 points. He was followed by Mike Jackson with 12 points, Gary Ferguson with 12, Bobby Carter with 11, Ricky Miller with nine, Tyrone Abbitt with seven, Freddie Lawson with two, and Tom Cobb with two points.

The Raiders were scheduled to play Jefferson Forest at home Tuesday after the Times-Virginian deadline. Friday night they will play Nelson County at Nelson. The team will play Dec. 29 against Amherst at Amherst, with the game beginning at 7:30. All other games begin approximately one-half hour after the end of the junior varsity game.

Jaycees drop 2

The Raider junior varsity basketball team lost 54-38 Friday night to William Campbell, following a close 50-45 loss to Gretna last Tuesday evening.

Against Gretna, the jayvee Raiders "played good team ball and good defense overall, but we couldn't pull it out," commented coach John Pettyjohn this week.

Jack Baker and Darren Tolley both scored in double figures for the Raiders, with 20 and 12 points, respectively, and Cleve Jones had eight points for the Raiders.

The Appomattox squad outscored Gretna by five points in the second half, but the Gretna team had built up too much of a lead in the first two quarters for the Raiders to overcome.

Friday's contest against William Campbell was a more difficult game for the Raiders. "They threw a press at us that we couldn't break," Pettyjohn said. While the Raiders made a gallant effort in the second half, the second quarter, where William Campbell outscored Appomattox 18-2, was more than the local squad could overcome.

Darren Tolley, with 10 points, was the highscorer for the jayvee Raiders against William Campbell.

The jayvees were scheduled to play Jefferson Forest Tuesday at home, and will play Nelson County at Nelson this Friday night. The next game for the jayvees team is not until Jan. 6. Games start at 6 p.m.

Work starts on nine new holes

Work began this week on nine additional holes for the Falling River Country Club golf course, according to FRCC President Charles T. Moses, Jr.

Moses says the back nine holes should be completed sometime in 1984, and will be ready for play by 1985. This addition to the 125-acre course will give Appomattox County an 18-hole course, complete with a watering system to keep the greens in good shape even during hot, dry weather.

"The greens have been designed to be very picturesque," Moses said this week. "Some of them have been set back in the woods, and the 18th hole, which is in front of the club house, will be terraced all around, so that people can sit around the hole and watch the ends of tournaments."

The golf-course improvement, which will cost approximately $90,000, will enable more people to play at once, says Moses. "At present, with nine holes, we can accomodate 75 people at one time, for example, in a tournament," he says. "With 18 holes, we will be able to accomodate 150 people."

"This will give us a complete facility," Moses continues. "We will have an 18-hole golf course, a swimming pool, a club house facility, and the other facilities people want in a country club."

Moses adds that the pro shop was recently enlarged and improved. "Club manager Steve Webster has done an excellent job since he took over in June," Moses adds.
